

THE PROGRAM

We all know that a good ride is its own reward, but the Ride & Drive Rewards Program is designed to give BC's recreational riders and drivers an extra incentive to spend more hours in the saddle or behind the breeching - whether in the arena or on the trails - for practice, exercise, therapy, or just plain fun!

The Ride & Drive Rewards Program started in 2004 and was revised March 2010 and then again in 2013.

Rewards are progressive, starting with the 25 hour level and ending at the 5000 hour level. Hours spent riding or driving must be logged on a daily basis on a Ride & Drive log sheet and submitted at each level.

Participants must renew both their HCBC membership and their Ride & Drive Rewards Program registration annually in order to continue accumulating hours and to qualify for rewards.

Ride & Drive registration is not transferable. This program is not designed for professional equestrians.

RIDE & DRIVE PROGRAM

Registration Form

NAME: _____

ADDRESS: _____
