

Pony Tails Kids Club May Fun Fact!

**Hey Pony Tails Friends, it's me Alice!**

**It's contest month!!!**

And speaking of contests...Horse Show season is already well on its way.

Did you know Horse show season in BC usually runs every weekend from about March until October?

In BC alone there are as many as 1000 days of horse show contests or competitions in one show season? That's a lot of busy horses and ponies. There are many types of horse shows, such as jumping competitions and dressage shows, these are called English disciplines. In the western shows or disciplines you will see, gymkhanas (games on horses) barrel racing, and shows where horses are judged on how they work with cows. You can also see shows where horses and ponies are hooked up to carts and driven by their people. So many horse shows to choose from, there really is something for everyone.

There is a very exciting show jumping event happening right now at Tbird in Langley BC. There are over 800 horses on the grounds from all over North America!

You can watch the show on TBirds live feed [click here.](#)
