Over the past 9 months, Horse Council has performed an extensive review of our Constitution and By-laws. Changes to the Constitution and new Bylaws have been drafted for Member's approval in order for Horse Council to be compliant with the New BC Societies Act by the November 28th deadline. These changes will be presented to our Senior members for voting on at our General Meeting (GM), August 21, 2018. Notice of meeting is hereby given for the 2018 General Meeting, to repeal the Bylaws dated November 2006 and adopt the bylaws dated August 21, 2018.

If you cannot attend the meeting but are a senior member in good standing, you are able to cast your vote by mail. Mail-in ballot can be found [here](#).

## JOIN VIASPORT TO MARCH IN THE VANCOUVER PRIDE PARADE

For the past 5 years, the Canadian Olympic Committee has celebrated Canadian diversity in gender and sexuality by showing their colours and marching in Pride Parades across the country. This year, they're participating with You Can Play in Canada's largest and most diverse parades, including Vancouver. They hope to have a cohesive unit of both amateur and professional Canadian sport bodies included in each parade.

If you are interested in joining HCBC and ViaSport in marching in the Vancouver Pride Parade on August 5th please email

## TRAILS DATABASE GEO-REFERENCING PROJECT OFF TO A GREAT START!

“Geo-referencing: Aligning geographic data to a known coordinate system so it can be viewed, queried, and analyzed with other geographic data. “

Phase 2 of the HCBC Trails Database Upgrade involves 1) ensuring trail information provided on the database is as current as possible and 2) geo-referencing the trails on the database. Using GPX tracks supplied by trail riders using GPS devices, we'll be creating maps and posting them on each trail's page, for any trail user to download free of charge, plus making them available (also free of charge) in the app of Avenza Maps, our mapping partners.

New images, information updates, GPX tracks and even new trails have been arriving in Recreation's inbox daily! Our thanks to everyone participating, and keep up the excellent work – don't forget HCBC is loaning GPS devices.

Contact [recreation@hcbc.ca](mailto:recreation@hcbc.ca) to arrange for the use of a brand new Garmin GPSMAP 64st, including batteries and charger.

## CERTIFIED COACHES AND INSTRUCTORS:

Did you know that you can add more information to your listing on [www.hcbc.ca](http://www.hcbc.ca)? Log in and go to your Coach Profile, here you can add a picture, website and a short biography so that anyone searching for a coach or an instructor can read more about you. While you are in your profile you can also see the year your First Aid and your CR Search expires.

We are still working on updating and correcting errors in the Coaches Association of Canada database "Locker". The web address is [www.coach.ca](http://www.coach.ca). Please take the time to log in and look at your transcript. If your birthdate is not listed or if the email they have is outdated, please go ahead and correct it. While you are there you can also check out some of the features of the Locker. You can self-report "active Coaching" which will count towards your Professional Development point requirement. The Locker also shows your start and end dates for your PD cycle, what PD has been submitted and what NCCP courses you have taken.

## HEALTH ALERT: Positive Case of Equine Infectious Anemia Confirmed in Alberta

An Equine Infectious Anemia (EIA) affected premises has been identified in the province of Alberta. Please note that the following information is in addition to what the Canadian Food Inspection Agency (CFIA) already communicates to stakeholders which includes:

- Notification to the relevant provincial veterinary service of any newly affected premises
- Monthly Federally Reportable Disease updates on the CFIA website (10th of each month) which includes the number of affected premises as well as individual animal cases
- Communications with the owners or persons

directly involved in the case, as outlined in the current EIA program policy

On June 28, 2018, a positive EIA result was confirmed by the CFIA's national reference laboratory for a horse on a premises in Ponoka County, Alberta. The horse had been sampled by an accredited veterinarian to comply with U.S. import requirements.

No clinical signs of disease were noted at the time of sampling. A CFIA investigation is underway and as per program policy, a quarantine has been placed on the infected animal and its on-premises contact animals. The quarantine will remain until all disease response activities have been completed, including follow-up testing and ordering the destruction of positive cases.

Trace-out activities may require the CFIA to undertake actions at additional premises as outlined in the current program policy.

More details on EIA may be found on the [Canadian Food Inspection Agency website](#)

## TRAIL NEWS

### BC Equestrian Trails Fund at Work!

2 BCETF recipients have checked in with a progress report on their projects: Back Country Horsemen of BC Shuswap Chapter, and Back Country Horsemen of BC Yarrow Chapter.

The Shuswap Chapter has started work on the Goliath Trail, in concert with the Shuswap Trail Alliance:

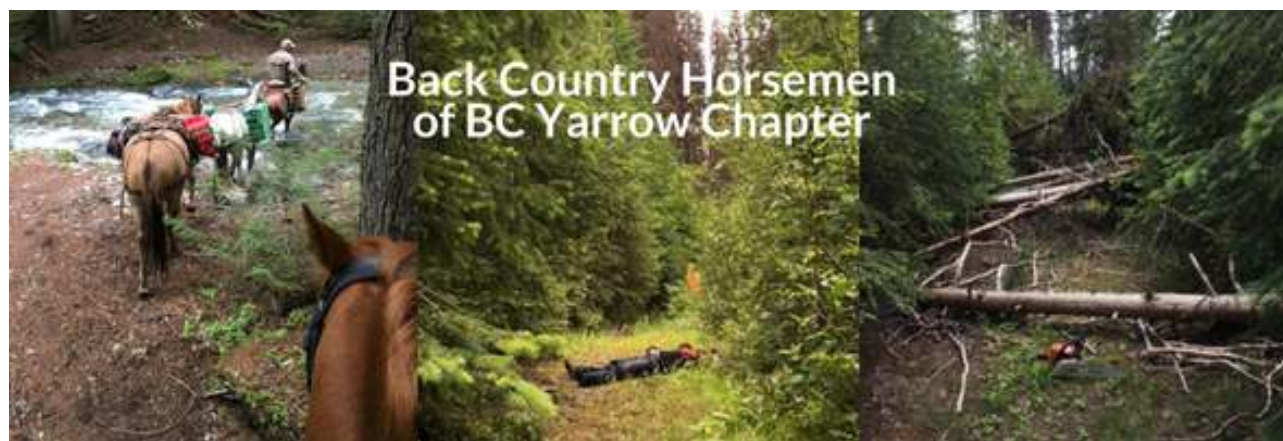

- The entire trail has been laid out and brushed
- Rough tread is in for half the trail
- Tread for about quarter of the trail has been completed

RAPP was out for half a day as well - so there is volunteer value added to the \$3,292.16. (Salmon Arm Rapattack - Forest Fire Training)

The Yarrow Chapter is at work in Manning Park:

- Partnered with the Hope Mountain Center for Outdoor learning to clear windfall, widen a short piece of trail and brush the Dewdney Trail to approx. 8 km. Hope Mountain Center has a paid trail crew of one supervisor and 2 students. They did the widening and the brushing, BCHBC cleared the windfall and hauled gear, tools and fuel.
- BCHBC volunteers cleared the Steamboat and Similkameen trails for the second time, clearing approximately 15 trees that have come down since the end of May. Next we cleared windfall on the East Similkameen to the sign post, approximately 50 trees. Last day we cleared windfall from the sign post to the Castle Creek crossing, approximately 60 trees. There are approximately 30 trees and 3/4 of a km to go. As we were doing that the Junior Ranger crew with BC Parks were clearing from the other side of the creek to Monument 78 at the border.
- Next will be to repair the Skagit Bluffs trail and re-open to horses and the Hope Pass.

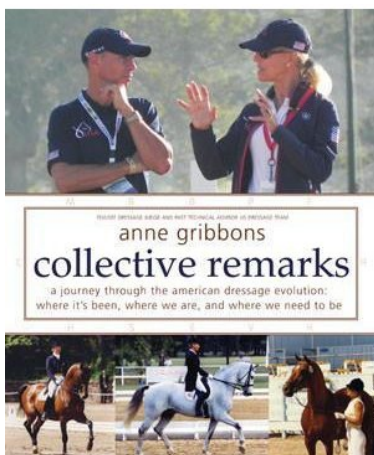

## BOOK OF THE MONTH

### Collective Remarks

by Anne Gribbons

World Renowned Dressage Judge and former US Olympic coach writes

about her personal experiences as a judge, coach, rider, breeder and more. She takes the reader through the American dressage evolution, where it has been, where it is now and where it needs to be.
