

Pony Tails Kids Club August Fun Fact!

Hey Pony Tails Friends, it's me Alice!

Wow... how can it be the end of August already! My horse and Pony friends are always very busy in the summer going to horse shows or just going out on fun rides and enjoying the nice weather and long days! This time of the year is also always a busy time with lots of fairs happening around the province.

If you live in the Interior of BC the biggest fair of the year will be happening August 29 to September 2. This Fair is called the Interior Provincial Exhibition and Stampede. There's so much to do at this fair, they have a rodeo and a horse show for all types of horses, even heavy Draft horses and Mules that are driven and compete pulling wagons!

My Horse Council BC friends are at the fair with their booth. If you go to the light horse stabling area at ring 2 you will see them, tell them Alice the Pony sent you and they will have a little present for you!

I hope if you live in the Interior you get to go to the Interior Provincial Exhibition and Stampede, if you would like more info click on this link: <https://www.armstrongipe.com/> Another big fair that is happening in Vancouver is the Pacific National Exhibition. There are lots of horsey events and things to

see at the PNE, click on the link to see what's happening at the PNE and when <https://www.pne.ca/thefair/agriculture/>

If you get to go any of these fun fairs I would love to see a picture of you at an event!

Now I would like to introduce you to my new friend Ashley!

Ashley just celebrated her 4th birthday. For two years in a row, Ashley has donated her Birthday money to Horse Council BC's Animal Disaster Relief Fund. Ashley's money will be used to help buy hay and supplies for the horses and ponies that have had to leave their homes because of the wildfires.

What a wonderful and generous thing to do, WELL DONE ASHLEY!

Hope you have a great end of your summer!
