This medal program supports Equestrian Athletes under the age of 25 across the country, by providing athlete development bursaries to further professional equestrian careers. The program is designed to help identify those who have the potential in becoming Canada's next High-Performance Athletes.

Athletes competed at two separate National Finals, one in the East and one in the West. All final rounds were judged in real-time, as well as by a panel of officials through video recorded rounds. The J.C. Anderson Legacy Medal is a Jumper based Medal Series held at 1.20m – 1.25m.

Support for the program was graciously provided in part from the J.C. Anderson Family Foundation and the J.C. Anderson Legacy Fund for purposes of supporting Athlete Development. John Anderson, a member of the Canadian Equestrian Team, helped make this program possible in partnership with the Alberta Equestrian Federation (AEF).
