

Competition Identification Report

This completed report allows HCBC to record and collect important competition development data for all levels of competition in BC. Data collected goes to the government. Submitting as much data possible will help to legitimize equestrian activity in the province and build awareness of our sport at municipal and regional levels.

This information allows us to report to Sport BC and maintain and improve funding for new and existing programs. By completing and submitting this to HCBC you will help us in our efforts to serve the horse industry.
