Below the tabs, there is a black rectangular placeholder at the top of the content area. The text below reads: 'Equestrian Canada / Sport Licences are an annual competition licence required for competition owners or lessees and individuals accepting responsibility for entries in EC sanctioned competition'. Below this text is a link that says 'Learn more about the Licence types and fees on our website'. At the bottom of the content area is a dark blue button with white text that says 'PURCHASE SPORT LICENCE'. At the very bottom of the page are the Equestrian Canada logo and the ECAMPUS logo.

# Purchase the Registered Coach Status

- Click on Purchase, fill out the information and purchase your license.
- NOTE: once you purchase the license you will have only 60 days to submit all of the required documents

**Coach Status**

**Registered Coach Status:** This status recognizes self-declared coaches and instructors, including those working towards a Coach Certification and those new to equestrian instruction who will work alongside an experienced coach. This status can also be selected by those with formal training or extensive experience until the Licensed Coach Status becomes mandatory.

**Licensed Coach Status:** This Status recognizes coaches with verified expertise, either through formal certification, education or validated practical experience. Applicants should be actively engaged in equestrian instruction and coaching.

To obtain status as a Registered or Licensed Coach, you must have an active EC Sport Licence and meet the specified requirements.

A Coach Licence is required to deliver and participate in designated EC programs. Effective Jan. 1, 2022, Coach Registration or a Coach Licence will be required to gain access to the field of play at EC sanctioned competitions.

Prior to purchasing Coach Registration or a Coach Licence, we encourage you to review your transcript on the **ECampus** to ensure your coaching records are up to date.
