Rider Level Log Book for High School Credits

Name _____

HCBC # _____

Discipline _____

Rider Level _____

Coach _____

Students should record the hours spent preparing for each level test. Record the date, the activity time spent, and have it signed by your coach, parent or supervisor. Activity can be lessons, practice rides, studying, and testing.

When the student has completed a level, they should submit a copy of their log book as proof of the hours spent studying and preparing for the test.

The student should record approximately 100 hours of preparation and testing.
