Horse Council BC (HCBC)

is recognized by the Government of British Columbia as the official
organization for Equestrian Sport in BC.

Every eventuality cannot be provided for in these rules.

It is the duty of the officials and the competition management to make informed decisions in a fair and sporting spirit, approaching as near as possible the intention of these rules, and in doing so protecting the reputation of the sport and the welfare of the horse.

All Competition Organizers hosting HCBC sanctioned competitions, should be familiar with the HCBC rules and policies and should have copies available for the use of exhibitors, parents, volunteers and officials. At no time are Equestrian Canada Rules to be used at a Provincially sanctioned competition.

The HCBC Rules are reviewed annually and posted on the HCBC website. Submissions for recommended rule changes will be considered until October 1st annually and reviewed for inclusion to the next years' rule book.

Aims Goals and Objectives

To ensure that Competition Organizers have the tools and support they need to operate within the recognized sport framework, follow current safety rules and guidelines and be aware of the risk management that is necessary and of the utmost importance for hosting a well-planned, successful competition.

To provide HCBC sanctioned competitions the support and governance of the current Horse Council BC Rule Book.

To develop, grow and retain a deep pool of well-educated and knowledgeable officials.

To capture the activity that demonstrates the value of Equestrian Sport to the government at all levels.

To provide, through education, participation in a quality structured, grass roots competition system and a well-planned development pathway, a feeder system that will grow and strengthen the development of the discipline sports and equestrian athletes.

To align with Long Term Equestrian Development (LTED)

Horse Council BC welcomes and encourages all grass roots and entry level competition organizers to sanction their show with HCBC. By doing so the equestrian sport community in BC can work together to ensure a fun, affordable environment within a fair playing field that will aid towards the growth and success of Equestrian Sport in BC.

Horse Welfare Statement

Horse Council BC members are responsible for the well-being and humane treatment of any equine entrusted to their care. Every horse at an HCBC approved event shall, at all times, be treated humanely and with dignity, respect, and compassion. The welfare of the horse is paramount. Any inhumane treatment or the abuse of a horse by any person at an approved HCBC show is forbidden. The obligation and responsibility to handle horses you own, use or that are in your care, with skill and compassion ensuring, regardless of value that they are not subjected to abuse, neglect or mistreatment. Horses used in competition, spectator events, shows, or exhibitions must not be subjected to unscrupulous use of medications, non-nutritive agents, equipment or procedures that may alter performance, appearance or natural function.

The standard by which conduct, or treatment will be measured is that which a person who is informed and experienced in generally accepted equine training and competition practices would determine to be neither cruel, abusive, nor inhumane.

It is recommended that competition management publish a statement in their show program regarding the commitment to humane treatment of horses with the penalties to be imposed for confirmed abuse of horses at a recognized event.

1. All forms of cruel, inhumane or abusive treatment of Horses, which include, but are not limited to various forms of rapping, are strictly forbidden. and will result in elimination

- Rapping:

The term “rapping” is construed to include all of the artificial techniques intended to make the horse jump higher or more carefully in competition. In general Rapping consists of the Rider- and/or dismounted assistants, (for whose behavior the rider is responsible) - either hitting the horse’s legs with something (no matter with what or by whom) or deliberately causing the horse to hit something itself, whether by building obstacles too large and/or too wide, setting false ground lines, placing trotting poles or the elements of a combination at a false distance, intentionally pulling or pushing the horse into an obstacle or otherwise making it difficult or impossible for the horse to negotiate the practice obstacle without hitting it. In the case of rapping or any other abusive schooling practice within the period of jurisdiction of the Competition Management and Provincial Rules Official, the competitor and the horse concerned will be disqualified from the competition with the possibility of being asked to leave the competition grounds

- Excessive use of the whip:

- The whip may not be used to vent an Athlete’s temper.
- A Horse should never be hit with a whip more than three times in a row.
- The horse’s skin should never be broken due to excessive use of the whip
- The whip is not to be used after elimination

- Excessive number of classes: typically, no one horse should do more than five classes in one day.

Bio Security

It is strongly recommended that horses be up to date on vaccinations and in good health to perform.

Vaccinations offer horses protection from some infectious diseases, but do not eliminate disease risk. Vaccination guidelines vary by region. This should be taken into consideration when weighing the risk for exposure. While there are costs associated with vaccines, those costs are generally much lower than the costs associated with an infectious disease.

Show management has the right and duty to demand removal of a horse from the grounds if it is deemed unfit to compete. Competition management may enforce vaccination requirements for their competition or venue.

A request for supporting documentation confirming a horse's compliance with mandatory vaccination requirements is an acceptable condition of entry.

For more information on bio security practice please visit <https://hcbc.ca/equine-welfare/biosecurity/>

Helmet Policy

The helmet should be properly fitted with safety harness correctly secured, while mounted, riding or driving, ***with the exception for the discipline of vaulting.***

9.2 Ranch

Riding, Trail, Reining, Pleasure

The performance requirements of the ranch riding horse should reflect the versatility, movement, and willingness of a working ranch horse demonstrating attributes desirable in a horse working outside the confines of an arena. Performance should demonstrate the horse's ability to perform patterns with forward ground covering gaits while responsive to aids under control of the rider. Light contact with the reins and riders' aids should be consistently maintained and rewarded throughout the performance test. Lack of contact in bridle or horse shown on a full drape of reins will be penalized. The overall manners and responsiveness of the horse while performing the skill tests required in a working pattern simulating ranch horse work, and the horse's quality of movement are the primary considerations to be rewarded.

Appointments

- No banding
- No artificial or nerved tails
- Hoof black is not recommended

9.2.1. Class requirements

- The required maneuvers for all test patterns must include the walk, trot, and lope in both directions.
- Extended trot and extended lope must be shown a minimum of one direction.
- Halt, and rein back are all required movements in all test patterns.

9.2.1 Class requirements (cont.)

- In addition, a minimum of three (3) “optional maneuvers” are required to be included in combination with the above required movements in all test patterns.
- Optional maneuvers selected may include: a side pass, leg yield, turns of 360 degrees, change of lead (simple change or flying change), walk, trot, or lope over a pole(s), or any reasonable combination of these “optional maneuvers” that are appropriate for a working ranch horse to perform in routine work.
- The maneuvers may be arranged in various combinations with final approval of pattern required by the Judge.
- The use of natural logs, posting in extended trot, touching or holding the saddle horn, is permitted with no penalties.

9.2.2. Equipment (please see Section 8.1.4 for a list of acceptable equipment)

- Breast collar and or rear cinch are optional
- Silver is permitted on tack but must not influence score over good working ranch horse equipment

9.2.3. Gaits

- The walk should demonstrate a natural ground covering stride, with a regular, rhythmic four beat gait.
- The trot should demonstrate a free forward moving natural two beat gait with a ground covering stride, not a jog.
- The extended trot should demonstrate an obvious, well-defined lengthening of the stride, covering more ground in a regular rhythm and demonstrate soft responsive transitions and can be ridden rising or standing. The horn may be held.
- The lope is a natural, clear 3 beat gait demonstrating a relaxed, rhythmic, balanced forward stride.
- The extended lope should be an obvious lengthening of each stride, covering more ground in a regular rhythm, not running or racing.
- In all gaits, the horse should display a level, or slightly above level topline, with a bright, attentive expression.
- Quickening of the pace or rhythm with little lengthening of each stride should be penalized.
- Transitions should be well defined and performed where designated in the pattern with smoothness and responsiveness to the rider’s aids.
- The overall cadence, balance, and quality of performance with emphasis on free forward moving gaits should be rewarded.

9.2.4. Scoring

- Each horse will work in arena individually, performing both the required and optional maneuvers in a test pattern, being scored on the basis of 0 – 100, with 70 denoting an average performance.
- Each maneuver will receive a score that should be added or subtracted from 70, and is also subject to a penalty score that is subtracted.
- Each maneuver will be scored on the following basis; -1 extremely poor, - ½ poor, 0 correct, + ½ good, +1 very good, +1 ½ excellent.
- Maneuver scores are to be determined and assessed independently of penalty points.
- No penalties are assessed for nicks/rubs of logs but may be considered in maneuver score.

9.2.5. Penalties

Penalty points are assessed for minor and major faults each time on the following basis.

One (1) point penalties

- Too slow pace/ per gait
- Over bridled/ curled
- Out of frame (not level topline)

Three (3) point penalty deduction for each occurrence:

- Break of gait at walk or jog for 2 strides or less

9.3 Ranch Trail Horse

Ranch trail horse should be a test of the horse rider combination (competitor) on their ability to execute required maneuvers and or obstacles encountered during everyday ranch trail work. The competitor is judged on the correctness, efficiency, accuracy and execution through a series of obstacles or maneuvers referred to as the course.

Emphasis is on the attitude, responsiveness, and mannerisms exhibited by the horse, while at the same time assessing the rider's effectiveness and horsemanship skills. An ideal ranch trail horse should have a natural ranch horse appearance from head to tail, demonstrate confidence, attentiveness, calmness and ride-ability throughout the entire course.

9.3.1. Course

- At the discretion of show management, the class course map, may be published, provided, or posted prior to the day of competition.
- Providing copies of printed course maps at the competition for exhibitors is encouraged.
- A ranch trail course must include no less than six and no more than ten obstacles.
- Course design must ensure that obstacles are not hazardous or unsafe for the horse, or rider and be constructed as to reduce the risk of accidents.
- Course design obstacles should be appropriate to ranch work and are not to trap or eliminate a horse/rider team by making an obstacle too difficult.
- An outdoor natural setting is recommended where appropriate terrain is available.
- Course designers must set the course to best fit the arena conditions.
- Each single performance event can be time consuming, so it is imperative that time restrictions are considered.

9.3.1 Course (cont.)

- The course designer or show committee, either through a pilot run, or estimate, shall select a course that has a continuous and positive flow that can be negotiated in approximately five minutes or less.
- Judges must walk the course prior to starting class and have the final authority to alter the course at their sole discretion where safety concerns are a consideration.
- Judges may remove or change any obstacles they deem unsafe, non-negotiable, or unnecessarily difficult at any time prior to or during a class.
- If at any time a trail obstacle becomes unsafe during a class, it shall be repaired immediately or removed from the course at the discretion of the judge.
- If an obstacle cannot be repaired during a class and some competitors have completed the course, the score for that obstacle shall be deducted from all previous competitor runs in that class.

9.3.2. Gaits

- It is mandatory that the horse be asked to walk, trot and lope during the course.
- Walk can be part of obstacle score or be scored approaching an obstacle.
- Trot must be at least 35 feet and may be scored with or on the approach to an obstacle.
- Lope must be lead-specific, at least 50 feet and may be scored with or on the approach to an obstacle.

9.3.3. Judging

- The Judge is expected to focus attention based on the performance of horse and horsemanship skills of the rider at each obstacle and how they maneuver over the entire course.
- A judge at their sole discretion may ask a competitor to pass on any obstacle after three refusals or attempts at an obstacle lasting more than 15 seconds, or at any time on course for safety concerns.
- A Ranch Trail scoresheet for each class must be provided to the judge
- A scribe is necessary to assist the Judge in keeping a record of each competitor's obstacle and maneuver scores and recording any credit or penalties scores applied over the entire course.
- The Judge is responsible to ensure the scribe has recorded scores and calculated the final score correctly at the end of each competitor performance.
- The Judge must be provided enough time at the end of every class to verify scores, confirm the final placings by entry number, and sign scoresheet.
- The competition name, class #, date, location, Judge's name and signature line must be listed on all scoresheets for official results.
- At the sole discretion of show management final scores or placings may be posted on a separate score report.
- Judges scoresheets are official results of the competition and generally not used for results posting.
- Any competitor may request and be permitted to view a Judge Scoresheet in the show office.
- Ranch Trail scoresheets can be found to download and print on the Horse Council BC website at link; <https://hcbc.ca/competitions/competition-documents/>

9.3.4. Obstacles

The course must include each of the following mandatory obstacles:

Ride Over: (obstacles on the ground, usually logs)

- A Ride Over obstacle at a minimum of one gait is mandatory.
- Gaits of walk, trot, or lope may be used.
- Additional ride overs in other gaits on the same course are optional.

The formation of Walk-overs, Trot-overs and Lope overs may be straight, curved, zigzagged or raised.

- Walk-overs: Walk over no more than five logs, not more than 10 inches high, spaced 26 – 30 inches apart
- Trot - overs: Trot over no more than five logs, not more than 10 inches high. Spacing between logs or poles should be 36 – 42 inches apart
- Lope-overs: Lope over no more than five logs, not more than 10 inches high. Spacing between logs should be 6 to 7 feet apart

Gate (opening, passing through, and closing)

- The type of gate used must not endanger the horse or rider.

Bridge

- A ride over wooden bridge that must be sturdy, safe, and negotiated at a walk only. Heavy plywood lying flat on the ground is an acceptable simulation of a bridge.
- The minimum width of any bridge shall be 36 inches wide, and length at least 6 feet long. A bridge may be raised up to a maximum of 10 inches in height.

- Raised side pass obstacles should not exceed 12 inches.

9.3.4 Obstacles (cont.)

Drag (an object)

- May be used for open, cowboy and amateur classes ONLY. The drag is not to be used in youth classes.

- The exhibitor must have the rope dallied on the saddle horn (half or full dally) for the duration of the drag.

Optional Obstacles

- Obstacles that can be found in everyday ranch work may be used or any combination of obstacles on a course plan.

Optional obstacles may include, but are not limited to:

- A jump obstacle where center height is not less than 14 inches high or more than 25 inches high. Holding the saddle horn is permissible for this obstacle.

9.3.5. Scoring

- All course scoring begins upon the competition entering the arena. Any infractions are subject to penalty marks at that time (such as two hands on the reins, using either hand to instill fear or praise, etc.)
- The rider has the option of eliminating any obstacle, however, this will result in an “OP” score for that obstacle and competitor being “off pattern”.
- The “off pattern” competitor may not place higher a competitor who completes all obstacles and course plan correctly.
- A base score of 70 points is used, with penalties or credits awarded for each maneuver and or obstacle. Penalty and credit scores are added or subtracted accordingly from the base score of 70 points to determine a total final score.
- If any competitors have already completed the obstacle prior to it becoming unsafe, the score for that obstacle shall be removed from all competitor runs in that class.
- Competitors are placed in each class based on the final scores in descending order of high score to low score.
- Where there is a tie for placing in a class, the competitors remain tied.
- The total penalties and credits for each maneuver and obstacle, are added or subtracted accordingly to a base score of 70 points for a final score. Final Scores are used to determine the placings of competitors in all classes.
- Credit points are scored for each obstacle and maneuver score when performed smoothly, correctly and efficiently.
- Horses may receive credit for attentiveness, willingness, and ability to negotiate through the obstacles efficiently while being responsive to light aids of the rider.
- Credits are awarded as: (0) Correct: (+ ½) Good: (+1) Very Good: (+1 ½) Excellent.
- Maneuver and obstacle scores are awarded for each obstacle and maneuver using the following scoring method: (-1½) Extremely Poor: (-1) Very Poor: (-½) Poor: (0) Correct: (+½) Fairly Good: (+1) Good: (+1 ½) Very Good.

- Back.
- Individual performance on the rail.
- Walk, jog, trot, lope, or gallop in a straight line, curve, or circle, or any combination of these gaits and patterns, such as a figure eight, etc. (Markers helps to standardize a pattern and guide riders, but can also increase the degree of difficulty, so their placement should be carefully planned and indicated in the posted pattern).

- Lope and stop.
- One Figure Eight demonstrates two changes of lead and is completed by closing up the last circle and stopping in the center of the eight.

9.7 Western Pleasure

Western Pleasure horses are to be judged on performance, manners, conformation, quality and substance. A good pleasure horse is responsive, and gives the appearance of being fit and a pleasure to ride. Maximum credit should be given to the flowing, balanced and willing horse. A minimum of 20% of the judging shall be placed on condition and conformation.

9.7.1. Class Rules

- Horses to be shown at a walk jog and lope on a reasonably loose rein or light contact with undue restraint.
- Horses must work both ways of the ring at all three gaits to demonstrate their ability with different leads and gaits.
- Horses may be asked to extend the walk, jog, or lope, one or both ways of the ring. A moderate extension of the jog is a definite two beat lengthening of stride.
- At the Judge's discretion, all horses, or just the finalists, will be required to back. Horses are required to back easily and stand quietly.
- Exhibitors shall not be asked to dismount except in the event the Judge wishes to check equipment

9.8.1. Class Rules

- The judge will select one of the nine patterns to be performed.
- The judge is responsible for the pattern being correctly set.
- It is important the horse changes leads correctly, executing flying changes with said changes being made as close to a mid-way point between markers. Eight or ten markers are required (cones or pylons are recommended).

9.8.2. Scoring

9.9 Western Showmanship

The horse is the means by which the exhibitor demonstrates his or her ability to show a horse at halter. The ideal showmanship performance consists of a poised, confident, neatly attired exhibitor, leading a well-groomed and conditioned horse that quickly and efficiently performs the requested pattern with promptness, smoothness, and precision. Conformation of the horse is not a factor in judging showmanship.

9.9.1. General Class Rules

- The competitor will show the horse in the posted pattern.
- Each exhibitor will be required to present his or her horse individually.
- Exhibitors should be prepared to follow any request made by the Judge or the Ringmaster.
- The exhibitor should attempt at all times to keep an unobstructed view of the Judge, must always be presenting the horse, and always know what his or her horse is doing.
- The exhibitor should not touch the horse with their hands or feet, or visibly cue the horse by pointing their feet at the horse during the set up.
- It is permissible for a Judge to ask the exhibitor questions concerning horsemanship and conformation. Questions should be in accordance with the exhibitor's age and knowledge potential.
- When leading the horse in a halter, the exhibitor's right hand should be on the lead shank and not on any part of the chain; about 8" – 12" from the halter (younger exhibitors may need to use a longer hold on the shank). The excess shank is held in the left hand, either coiled or in a figure eight at the discretion of the exhibitor.
- Youth competitors must wear properly fitted approved BSI or ASTM protective headgear, with safety harness correctly secured at all times while on the competition or event grounds and in ALL classes and Performance Divisions.

9.9.2. Equipment

- The halter may be of leather, rope or nylon and as close to proper class appointments as possible.
- Silver shall not count over a neat, clean working piece of equipment.
- If a lead shank is used on the halter, it should be at least six feet long
- If a chain is part of the lead shank, the Judge shall not penalize an exhibitor for the use of a chain either over the horse's nose or under the jaw
- Whips, crops or bats are prohibited
- Standard sliding, rundown or skid boots on the horse's rear fetlocks, and splint boots on the front legs are prohibited. Soft leg wraps are prohibited.

The following shall be considered faults:

- Failure to recognize and attempt to correct faults in the horse's position
- Visiting or conversing with other exhibitors or with spectators during the judging of the class.
- Failure of the horse to lead properly.
